

# How to deal with ?

Infected

Slow

Just go through, most of time, he don't hit you

BUT

punch him if crossed on a shope, even a small one

Runner

Fast Dash Strike

Punch him when crossed.

If you have to kill him, punch him each time he dashes on you

Armored

Slow Invulnerable

Same as Infected

Exploder

Slow Explosive

Shoot him until he explode, with 3~4 Pistol or 2 Headshot

Giant

Slow

Punch him when crossed, just before he attacks, but not too early, the range is pretty tight

Gripper

Fast Grab you

Kill him. 4~5 Pistol  
Slow you if grab you
